FFA BOYS TAKE NUMBER OF PLACES AT ABILENE SHOW WITH PROJECT HEIFERS

Hamlin's FFA boys copped their share of blue ribbons Friday at the Jersey Sheep and Swine Show held at Abilene.

Weldon Townsend, with Palatin Design Lassie, won first in his class and came through the show with the grand champion Jersey of the Junior Show.

Callens George with Dream, took third place in his class. LaWayne Long, with Sammy Wonderful, copped fourth, and James Rodgers, showing the heifer, Peer Blondie, copped fifth.

Wonderful Royal, owned by Kenneth Holloway, and shown by the Hamlin FFA, won sixth.

Grouping four of the Hamlin FFA boys' heifers with a cow owned by Elton Brigham, the Jones County group copped second place as a county herd—shown against three strong county groups of senior breeders.

Four of the Hamlin FFA boys' heifers are entered in the State Fair of Texas at Dallas, Gene Richardson, FFA reporter, states.

Showing as a Jones County 4-H Club member, Elton Brigham will have three Jerseys entered in the Junior Jersey Show at the State Fair. Richardson and Brigham plan to show in individual classes and group their animals for the county herd contest.

W. T. Johnson Flies to U. S. From Japan Post

Only five days' flight time from Yokohama, Japan, to Hamlin is the record marked up by Technical Sergeant W. T. Johnson, son of Mr. and Mrs. Robert Johnson, who is enrolling in Hardin-Simmons University, Abilene.

Sergeant Johnson left Yokohama September 16 and arrived home on September 21.

The Hamlin boy was in the Army one year and nine months, and in being stationed overseas got to see a vast amount of Asia and the islands that constitute Japan.

New Legion Year to Be Begun at Monday Social

Of keen interest to Hamlin area people is the combined business and social that will be staged Monday evening, beginning at 7:30 o'clock, at the Legion hall by Hamlin's American Legion and Legion Auxiliary.

Monday evening's gathering will start the new Legion year, and every member of the organization will be expected to attend, Joe Culberston, post commander, states.

Hamlin American Legion Post is evidencing a solid growth in membership, and with start of the new Legion year a number of activities will come up for consideration and approval.

NAVYMAN TO SPEAK

Hamlin Area operators are keenly interested in the Victory meeting of Texas Mid-Continent Oil and Gas Association, October 17 and 18 in Houston, at which Navy Secretary James Forrester, above, will be principal speaker. Forrester will speak on "Oil and Victory."

PIPERS MEET SPUR FRIDAY NIGHT AS GAME FAVORITES

In their next game, Hamlin's Pied Pipers will play Spur in a non-conference tilt Friday evening, beginning at 8:00 o'clock, on Bulldog Field.

The Pipers will do doubt be favored with two or three touchdowns at this game.

In football games over the week-end, these results in this area were tallied:

Hamlin 32, Haskell 0
Rotan 7, Stamford 0
Anson 46, Roby 0
Baird 21, Albany 7
Throckmorton 17, Newcastle 0.
Munday, open

Season standings to date are:

Anson	0	0	—
Throckmorton	0	0	—
Munday	0	0	—
Albany	0	0	—
Haskell	0	1	.000

Clashes this week-end will include Hamlin at Spur, non-conference game; Stamford at Albany, conference game; and a conference game at Anson, Haskell vs Anson, and Throckmorton at Munday.

Junior Class Nominates Joan French for Queen

Hamlin High School's junior class held its second meeting of the year last Friday.

Mr. and Mrs. J. K. French and Mr. and Mrs. Bill Andrews were elected as room mothers and fathers. Following this election, Joan French was named candidate for high school queen. Her escort is Alton Kite, and ladies-in-waiting are Nozik Hasen and Sarah Steele.

Members voted on blue and gold as class colors. Class flower named was the yellow rose, and class motto will be "The Door of Opportunity Is Marked 'Push'."

Suzanne Toler was elected editor for the annual staff, and Wanda Mayfield as editor for the paper staff.

Senior Class to Sponsor Box Supper Monday

Senior class of Hamlin High School will sponsor a box supper, to be held Monday evening, beginning at 7:00 o'clock, in the high school auditorium.

Hamlin people are extended a cordial invitation to attend the box supper. Everyone is invited to bring boxes, pies or cakes for the festive occasion.

Surfacing of New Road to Go on Soon

MORE ASPHALT DUE THIS WEEK AFTER FIRST BATCH LOST IN LEAKY VALVE

It appeared highly probable today (Thursday) that some asphalt or "hot topping" work can be done on the vital Hamlin-to-McCauley highway by this week-end.

Contractor on the project had a big load of asphalt out southwest of town where the farm-to-market road paving ends and because a valve went out the asphalt drained out during the night hours Wednesday.

Early Thursday morning the asphalt had drained to the northeast in the barrow pit several hundred feet.

A number of Hamlin business and professional men visited the highway project this (Thursday) morning, for everyone is anxious to see the asphalt work started on the all-weather outlet to U. S. Highway 180—or the East-West Highway across Texas.

If it is possible, a Herald reporter was informed, for supplies and materials to get here this week some asphalt work will be done by the week-end.

The farm-to-market highway 57, beginning just southwest of town at the Fisher County line, through McCauley and to U. S. Highway 180, the highway continues southwest to Sylvester and Longworth. The strip from the intersection on 180 to Sylvester has been paved, but The Herald was not informed whether the stretch of Highway 57 from Sylvester to Longworth has yet been paved.

From Longworth this farm-to-market Highway 57 goes almost west until intersection with Highway 70, the Sweetwater to Roby thoroughfare.

When all of farm-to-market Highway 57, going southwest from Hamlin, is paved the distance from Hamlin to Sweetwater, it is state, will be only 37 miles.

The Celotex spur from farm Highway 57 is 1.8 miles in length. From State Highway 70 in Fisher County to Longworth the length is 2.037 miles.

MAYS FLY TO CAPITAL AFTER HAMLIN VISIT

Washington bound in this picture are Mr. and Mrs. Parker May and three-month-old daughter, Judith, who left Abilene last Wednesday by plane for Washington, D. C., after a three-week visit with May's family here in Hamlin. Reared here, May is with the Office of International Information and Cul-

tural Affairs in the State Department at Washington and has been working in the nation's capitol 13 years. While here the Mays visited his parents, Mr. and Mrs. M. P. May, his brothers, Tate and John May, and Mrs. J. Frank Johnson of Rotan.—Picture courtesy Don Hucheson, Abilene Reporter-News.

FINGER IN HIS PIE

Notice: When customers come in to pay their bills they shouldn't get meat market operators excited to the extent they put a part of their hand into the sausage grinder.

So friends say after George Howard of Crow Brothers Grocery got his second finger on the left hand nipped off Friday afternoon at the first joint. A customer came in to pay a bill and Mr. Howard, in talking and turning from his work, accidentally let finger No. 2 get into the sausage mill.

Mr. Howard, by the way, has been running a sausage mill 25 years and Friday's experience constituted the first human encounter he'd had with the meat whacking machinery.

Mr. Howard suffered some with his hand Sunday, but was feeling better Monday and able to be in circulation again. His many friends hope his hand will heal in due time and no complications result.

JUNIOR GRIDDERS MEET ROTAN LADS IN THURSDAY TILT

Hamlin's mighty Mice, the school's junior football squad, faces the Rotan Junior Yellowhammers this (Thursday) evening in a game that will be played at Rotan.

The Mice will be marching out on Yellowhammer Stadium this evening in brand new uniforms. Last week the junior squad held the Merkel juniors to a 6-6 tie in a tussle at Merkel.

Coaches "Red" Howard and Marvin Carlton report Buddy Maberry will replace Donald Green as back. Donald sustained a fractured arm in the Hamlin-Merkel clash. Donald is said to be improving nicely.

Starting line-up for the Mice in this evening's grid classic will be as follows: Donald Roland, end; Bobby Potter, end; Troyce Hargrove, guard; W. T. Stapler, guard; Clarence Miller, tackle; Asa Ray Goodgame, tackle; Jerry Carr, center; Buddy Maberry, Harold Johnson, Nelson Lowe and Joe Allen Dean, backs.

MILTON GARY GETS PEN TERM FOR PART IN CABIN LOOTING

Milton H. Gary of Kermit, formerly of Hamlin, and Denver Ray Randolph of Abilene were assessed penitentiary terms at Anson last Wednesday, after entering a pleas of guilt in Judge Owen Thomas' 104th District Court.

Randolph, 18, pleaded not guilty on September 9 to burglary of Martin Koonsman's cabin on Fort Phantom Hill Lake but was found guilty by a jury and given a five-year suspended sentence.

Last Wednesday Randolph entered a motion to set aside that judgment. Motion presented by his attorneys, David Scarborough and J. R. Black Jr., was granted and Randolph entered a plea of guilt to burglaries of the Koonsman cabin and cabins belonging to Dr. Marvin Majors and Lloyd Havens of Abilene.

The youth was given a two-year sentence on each of three counts, sentences to run concurrently, Esco Walter, district attorney, reports.

Cary was assessed a five-year term in each of 12 cases of forgery in which merchants of Anson and Stamford claimed they were victimized of approximately \$300 during June and July, Walter said. The terms will run concurrently.

Cary also faced six forgery charges in Fisher County, cases due to be held in the October term of court at Roby, the district attorney announced.

BOX SUPPER NETS \$779 AT SYLVESTER FOR VA BUILDING

Box supper held in Sylvester High School auditorium for purpose of raising money to erect a vocational building resulted in raising of \$779.25 from box sales and an additional \$200 on advertising.

Albert A. Maberry, agriculture instructor, reports the event was an outstanding success. The affair was sponsored by the veterans' vocational agriculture school. Approximately one-third of the amount needed for the proposed building was raised.

Auctioneer for the evening was Representative Harley Sadler of Sweetwater.

Omar Burleson of Anson, congressman-nominate, was unable to speak as scheduled, and Tate May, Hamlin banker, replaced him.

Among other visitors contributing to success of the box supper were R. B. Tanner, Roby banker; Levi McCollum, McCauley business man; and a group of others, from McCauley. Music was furnished by Happy Daniels and his Happy-Go-Lucky Boys of Sweetwater.

A number of building sites have been offered for the proposed project but none has to date been selected, Maberry states.

Plans call for a class room and shop building 20x70 feet of corrugated iron and lumber with concrete floors and foundation.

FFA Boys Working to Elect Queens for Class

Hamlin's four classes of Future Farmers of America met last week and nominated candidates for sweetheart of the Hamlin FFA.

Patsy Parker was nominated by the freshman boys, Joan Johnson by the sophomores, Joan French by the juniors, and Phyllis Richardson was the choice of the senior boys.

At a penny a vote, the classes are carrying on a contest this week to raise money to help improve their new building.

General public is invited to take part in the FFA voting, and help elect the girl of their choice as FFA sweetheart.—Gene Richardson, FFA Reporter.

TRY FOR PALO PINTO PAY IN TERRELL BLOCK DRILLS ON BELOW SURFACE CASING

Only 10 miles west of Hamlin, almost midway between this Jones County town and Rotan, drilling was progressing Wednesday below surface casing on the Ellis A. Hall No. 1 J. B. Terrell, Ellenburger test in Section 80.

The deep project is located 660 feet from the north and west lines of Section 80, H. & T. C. Survey.

Verdict is due momentarily on the initial offset extension try to the Eskota pool Palo Pinto reef production. The Herald is informed.

Operators at this test in Southwest Fisher County cored toward the top of the formation in the Skelly Oil Company No. 3-A D. O. Huddleston, 2,815 feet from the north and 1,675 feet from the west line of Section 11, Block 19, T. & P. Survey.

Coring was started at 4,300 feet, and first core showed 14 feet of sand and shale with a slight show of oil in the sand. Second core was started at 4,317 feet. On discovery well casing was cemented at 4,315 feet with total depth 4,405 feet.

Spudding in the second offset, Skelly's No. 2 D. O. Huddleston, 3,209 feet from the north and 2,665 feet from the west line of Section 19, was awaiting plating of new draw works for the rig.

Three miles north of the Skelly locations, the Horne Oil Company No. 1 J. W. Wheeler Jr., 330 feet from the north and east lines of George Creath Survey 221, is drilling ahead below surface casing.

Initial tests are being made this week on Jones County's prospective new pool opener southwest of Nugent, the Roark, Hooker & Roark No. 1 F. C. Helges, 467 feet from the north and 1,650 feet from the west line of A. Bell Survey 6.

Casing had been set at 1,939 feet above a very favorable show in Gunsight line drilled from 1,938 to total depth of 1,942 feet.

New Jones County wildcat, half a mile northeast of Hodges, will be Roark, Hooker & Roark No. 1 F. T. Moore a 2,700-foot cable tool project 2,108 feet from the west and 1,650 feet from the south line of Section 3, Block 17, T. & P. Survey.

Plaster Work on New School Building Will Start This Week-End

Plaster work will doubtless be started by next week on Hamlin's new \$125,000 elementary school building The Herald learned today (Thursday).

Progress on the new edifice is mighty good, considering the continuing building material shortage, the builders, T. E. Shelburne & Son, stated.

Framing was up this week on all the new structure, and workmen are putting on the lower part of the roof.

Steel window frames, however, are still lacking and since they have not been shipped, construction work will be held down to an extent.

I. R. Huchingson, Hamlin School superintendent, reports construction work highly satisfactory—except for material shortages such as window frames.

Don W. Smith of Sweetwater is architect for the new building.

Mart Farrow Tries for Spot on Tarleton Squad

Mart Farrow, son of Mrs. Mary Farrow of Hamlin, is one of 90 men competing for a spot with the Plowboys of John Tarleton Agricultural College at Stephenville.

Mart is six feet and one inch in height, and weighs in at 175 pounds. He plays back and lettered two years with Hamlin's Pied Pipers.

Next John Tarleton game will be played October 5 at Wichita Falls against Hardin Junior College.

High School Classes Voting in Queen Races

Candidates of the four classes of Hamlin School for carnival queen have been chosen and voting, through Wednesday, was rather brisk for nominees.

Candidates of each class, with escorts and ladies-in-waiting are:

Senior Class—Verlene Stewart, nominee; Seith Neill, escort; Shirley Baggett and Bettye Sellers, ladies-in-waiting.

Junior Class—Joan French, nominee; Alton Kite, escort; Nozik Hassen and Sarah Steele, ladies-in-waiting.

Sophomore class—Betty Jo McNelly nominee; Bernie Houghton, escort; Frances Martin and Jo Ann Johnson, ladies-in-waiting.

Freshman class—Patsy Parker, nominee; Durwood Smith, escort; Lavon Stewart and Donna Gayle Miller, ladies-in-waiting.

Sponsored by the junior class, the annual school carnival at Halloween will witness selection of a school queen and resultant coronation ceremonies as a carnival climax.

Mr. and Mrs. Bill Harbert of Abilene spent the week-end in Hamlin visiting their parents, Mrs. Lola Harbert and Dr. and Mrs. Joe McCrary.

Naomi Young student of Hardin-Simmons University, Abilene, visited with her parents, Mr. and Mrs. Jess Young over the week-end.

Edwina Gilbert Honored At Dallas Gatherings

Edwina Gilbert, bride-to-be of Charles E. Holden, was honored, Hamlin friends learn, at a luncheon in the Century Room of the Adolphus Hotel at Dallas September 28. Edwina taught public school music here for a number of years.

Hosts were Mattie Dell Webb of Dallas, Hortense Watkins of Hamlin, Eugenia Baskin of Ballinger and Elva Ruth Wylie of Cedar Hill.

A miniature altar with candles and lilies and a miniature bride and bridegroom standing in an arch decorated the table. Mrs. Earl Cabell, sister of Mr. Holden, presented the honoree with a tray.

Present were Miss Gilbert, Mrs. W. H. Gilbert, Mrs. Cabell, Mrs. Frank Wylie, Mrs. Gordon Bennett, Mrs. Arlene Morgan, Mary Alice Benning, Gene Rowden, Ann Cochran, Tootsie Wylie and Maybell Tinkles.

The former Hamlin music teacher was honored at a breakfast given by Mr. and Mrs. Frank Wylie of Cedar Hill at their home.

Those for the breakfast, in addition to the honoree, were Mrs. W. H. Gilbert, Mrs. Arlene Morgan, Mrs. Gordon Bennett, all of Hamlin; Maybell Tinkles of Fort Worth, Eugenia Baskin of Ballinger and Elva Ruth Wylie.

Gift Tea Given for Mrs. Meads Thursday

Gift tea for Mrs. Dan Meads, the former Thelma M. Carlton, was held last Thursday afternoon, 2:00 until 4:00 o'clock, at the home in North Hamlin of Mrs. J. W. Perryman Jr.

Mrs. Perryman and Mrs. John Edwards were co-hostesses.

Mrs. L. B. Maberry greeted guests at the door. In the receiving line were the honoree, Mrs. D. W. Carlton, Mrs. E. E. Meads and Mrs. John Edwards.

Mrs. R. L. Maynard presided at the bride's book and Imogene Meads was in charge of the gift display.

Mrs. Bill Maddox invited guests into the dining room, where Mrs. A. J. Ashburn presided at the punch bowl, assisted by Mrs. Glenn Winslett.

Mrs. L. B. Maberry said good-byes.

Elementary P-TA Sets First Meeting of Year

Hamlin Elementary Parent-Teacher Association will meet Tuesday evening, October 8, at 7:30 in the high school auditorium, The Herald learned this week. This is their first meeting of the year and will be primarily a "get acquainted" and social hour.

Mrs. Henry Albritton, president, will preside and the main speaker of the evening will be I. R. Huchingson, superintendent of Hamlin's schools. Another speech will be made by Mrs. G. R. Bennett on plans for the membership drive for the ensuing year.

This year's program is based on the theme of "Laying Firm Foundations" which should prove interesting and constructive to members of the local association.

Stronger Body Helps This New Tire OUTWEAR PREWAR TIRES

No sensible driver would deliberately run his tires over a rock like the one in the picture. But sometimes it can't be helped...and that's when you will be glad if you have B.F. Goodrich passenger car tires. Built with more and stronger cords, the tire body is better engineered and 35% stronger than in wartime tires. But in building this stronger body to hold the more durable, wider, flatter tread, B.F. Goodrich engineers built into it greater resistance to “road shock.” Supplies of this new tire are still limited. However, we'll do our best to keep your car rolling until we can get new tires for you.

GOOD COTTON MARKET HELPS PRODUCER

Price for cotton on the open market is high enough this fall that observers predict only a small portion of the crop will go in the government loan. Although the loan rate for Jones County is 24.21 cents per pound, basis middle fifteen-sixteenths inch staple, open market prices are at such a fine level farmers find it profitable to sell their cotton on a "barrel head" cash basis.

Even though this year's cotton crop is far below that of past years, the farmer realizes a certain amount of independence from being able to sell his cash crop as he chooses. Remember those years when farmers had to depend on a government loan to keep the bottom from falling out of cotton? When cotton equities almost went begging for takers? Now the trend is fortunately reversed and the buyer who gets a "whack" of this year's cotton crop will know he is paid real folding money for the fleecy staple.

NO SOAP, NO BATH, NO SUN

Facts may seem slightly harsh at times, but unless every household goes to saving used fats, again, and turning such fats and oils in to local merchants, we could easily wake up one morning, soon, and have no soap for washing dishes or clothes, no soap for taking a bath, and in fact no sunshine in the home for lack of this one, simple thing—soap.

The government is serious in a statement that every housewife will have to get back to saving and selling all used kitchen fats and oils if we avoid a nation-wide soap scarcity.

During the emergency we have on hand, the only extra source of fats and grease is the American kitchen. Used fats turned in not only being four cents a pound, but such contribution comes right back to the kitchen in the form of finished soap. Let's keep the soap shortage from getting worse and remember, when draining used grease from the skillet, that only by your cooperation will you be guaranteed your soap, your bath and sunshine in the home during the crucial weeks we all face ahead.

PLENTY OF VA BUSINESS

Take it from the Veterans Administration regional office at Lubbock, ex-service men of Hamlin and West Texas are keeping the regional office flooded with correspondence and cases which need immediate attention.

Our GI's, fortunately, are taking full advantage of the GI Bill of Rights, and intend to go on to school, take vocational training and refresher courses that will give them bed-rock foundation for making a good living. A number of vets are all-out for on-the-job training, and now that we have the war won our boys are anxious to get back into civilian production and civilian living.

We have a big job ahead of us in winning the peace, but it can be safely said the biggest job in securing such peace will be adequate and satisfactory rehabilitation of our veterans. We cannot break the faith with the boys who got back to loved ones and friends, and the least this great nation of ours can do is make the vets secure in the kind of employment they want and can be best satisfied at throughout their life span.

WOMEN IN THE PARADE

With home demonstration and study clubs of this vicinity electing officers for the ensuing year, and with ladies' clubs facing the months ahead with vitalized programs that help put their communities ahead, women in the parade of nations, when all our history is written, will include women who by club, P-TA and other activities, make their home communities better places in which to live.

While the major part of a woman's life is woven around that magic world called the home, no woman's life is complete and satisfying without social contacts and community work to broaden and enrich the woman's outlook on the world in general.

Idea of tying women of a rub board, dough board and a sewing machine was really never sensible—although slightly excusable at one time in American history. We have supposedly emerged from the dark ages of human bondage, and in so doing are forced to recognize that women in the parade are motivating force behind this exciting generation.

WHAT CONTEMPORARIES ARE SAYING

NOT ABOVE THE LAW

George White, 53, producer of the famous girl shows, "George White's Scandals," is now serving a one-year sentence for a "hit and run" accident that resulted in the death of a newlywed couple near San Diego, California.

We call attention to the case because Mr. White, beginning his incarceration, protests, "I'm not a criminal and I don't deserve this." His attitude seems to be shared by some notables in the amusement world who wrote letters in an effort to prevent Mr. White from receiving a jail sentence.

While we are not familiar with the facts in the case, we have no idea that the producer would have been convicted if he had not been guilty of the crime charged against him. Whether he was the accidental victim of circumstances, or not, the fact remains that the case had some suspicious circumstances, particularly the failure of the guilty driver to report the accident when it occurred.

Mr. White, who may be considered famous in his line, is not above the laws of the country where he lives. Whether he considers himself a "criminal" or not, he has been charged with a crime, convicted of it and sentenced to serve time. If the laws of the nation mean anything, they should mean that no man, regardless of his fame or his wealth, is above the law and if they violate the law, they should be punished like everybody else.—The Baird Star.

Happy is he the palace of whose affection is founded upon virtue, walled with riches, glazed with beauty and roofed with honor.—Francis Quarles.

What we do upon some great occasion will probably depend on what we already are; and what we are will be the result of previous years of self discipline.—H. P. Liddon.

Let not him who is houseless pull down the house of another, but

50 FFA BOYS WILL GO TO STATE FAIR SATURDAY IN BUS

Directed by their adviser, T. J. May, a school bus driver, 50 Hamlin Future Farmers of America chapter members will leave before sun-up Saturday for Dallas and the State Fair of Texas.

A spokesman for the FFA group informs a Herald reporter that the local group should arrive in Dallas by 10:30 o'clock Saturday morning.

Four of the Hamlin FFA boys' heirs are entered in the State Fair. Elton Brigham, showing as a Jones County 4-H Club member, has three Jerseys entered in the Junior Jersey Show.

The Hamlin group will have a full day ahead of them Saturday, for Saturday will be Farm Youth Day at the State Fair.

One organization, the Dallas Chamber of Commerce, has set aside \$10,000 to sponsor this day of free luncheon, entertainment and education for the rural youth of Texas.

Radio Stations WFAA, KRLL and WRR will provide feature entertainment between 12:00 and 1:00 p. m. Honor awards will be made to 32 outstanding 4-H Club girls, FFA and 4-H Club boys.

Judging of fat steers and hogs, educational exhibits in poultry building, meat identification contest and many other projects are slated

ACCEPTABLE WORSHIP

When any object, except God, is worshipped, it is idolatry, and is strictly forbidden (Matthew 4:19). Thou shalt worship the Lord, thy God, and Him only shalt thou serve. In Revelation 22:8-9 John fell down at the feet of the angel and was told not to do it. Cornelius fell at Peter's feet but Peter would not permit him to worship (Acts 10: 25-26.) Paul and Barnabas did everything they could to keep from being worshipped. If these great men of the Bible could not be worshipped, I am sure that God is not pleased with the worship of a man today. God cannot be truly worshipped by graven images. (Acts 17: 24-29.) The guilty are commanded to repent. (Acts 17:29-30.)—J. C. Scott, Minister, Church of Christ.

Bert Harden Arrives at Alaska Army Post

Bert W. Harden of Hamlin sailed recently from the United States on the S. S. Sea Star for Fairbanks, Alaska, where he will be stationed as Task Force "Frigid," an army and forces testing unit. This tests all types of personnel and testing equipment for the army. Harden arrived at Whittier Alaska, Alaska friends are informed, and at this point has proceeded to Ladd Field, Fairbanks, Alaska.

New Power-Lift Put on John Deere Tractors

Every farmer seeking better farm machinery will be interested in announcement by Bryant-Link Company, local John Deere farm equipment dealer, of an outstanding development in recent years, the new John Deere hydraulic Power-Trol. At a touch of a convenient control level, Power-Trol raises and lowers plow bottoms or discs, grain drill openers, mower cutter bars, etc. This vitally new development will have to be seen in operation to be fully appreciated, the dealer said.

DR. COLLINS WILL GO TO ORDNANCE HOSPITAL AT DUMAS

Officializing when new lives started out in the world and administering to thousands of people—even when the tide of life ebbed away—is all in an ordinary life span for Dr. A. G. Collins of Hamlin, who with his wife leaves the first of next week for Dumas. Dr. Collins, former practicing physician and surgeon at Royce City and New Boston, will assume charge of a 20-bed hospital at the Texas Ordnance Plant near Dumas. Dr. Collins was among eight doctors who took examination for the post. His grade was the highest.

Equally at ease in both clinical and surgical work, Dr. Collins has been practicing medicine 36 years. Dr. Collins graduated from high school at the age of 13, and when only 20 years old graduated from medical college.

"Doc" is a graduate of Baylor University, Barnes University, Tulane and Chicago Polytechnic. He practiced medicine at Royce City a fifth of a century and also has practiced at New Boston.

Dr. Collins came to Hamlin May 15 from New Boston.

Dr. and Mrs. Collins have three children—a boy, James of Hamlin; two daughters, Mrs. Fern Pullens of Baxter Springs, Kansas, Mrs. Devota Keller of Hutchinson, Kansas, and six grandchildren—three boys and three girls.

Patsy Parker Selected As Freshmen's Queen

Freshman class of Hamlin High School met Tuesday for transaction of important business, including election of Patsy Parker as class queen.

Freshman class officers, named in a previous meeting, are: Raymond Seifres, president; W. S. Wilcox, vice president; Donna Gayle Miller, secretary; Lavon Stewart and Patsy Parker, reporters; Barbara Turner and Roy Riley, social leaders.

Sponsors for the freshman class during the 1946-47 school year are Mrs. Opal Hodges and T. C. Blankinship.

After election of Patsy Parker as class queen, Durwood Smith was elected to escort her. Lavon Stewart and Donna Gayle Miller were elected as ladies-in-waiting.

Members of the class want Mrs. Seifres, Mrs. Wilcox and Mrs. Parker for room mothers.

Didn't Get the Information.

A man returning home in the early hours read the notice on the apartment house door: "Please ring the bell for caretaker."

He gave the bell a terrific pull, nearly dragging it from its socket. Shortly a sleepy face appeared.

"Are you the caretaker?" asked the man.

"Yes," was the reply. "What do you want?"

"I just want to know why you can't ring the bell yourself."

New Service Schedule Announced by Baptists

Rev. John Osteen, pastor of Hamlin's First Baptist Church, announces the following schedule for service will be effective as of this week-end:

Sunday School each Sunday morning at 10:00 o'clock; morning worship at 11:00 o'clock; BTU (all ages) each Sunday evening at 6:30 o'clock; and Sunday evening worship at 7:30 o'clock.

Mid-week prayer services will begin each Wednesday evening at 7:30 o'clock.

People of this trade zone are cordially invited to worship at the First Baptist Church and each member is asked to invite a friend.

PIED PIPERS TAKE FIRST CONFERENCE TILT FROM HASKEL'

In the type of football game played at Piper Stadium Friday evening that brings fans to their feet yelling, the Pied Pipers overran the Haskell Indians, 32 to 0.

Outstanding for Hamlin was Brad Rowland, who tossed two touchdown passes. He made one placement kick for point after touchdown.

Doyle Dean made the first score by intercepting an Indian pass and going 35 yards to pay dirt. Dean also stood out as an excellent pass receiver and blocking back. The Rowland-to-Dean combination will be hard to beat when the all-district men are picked.

Billy Franks is another boy who is beginning to stand out in the fans' minds. He received one pass for extra point.

Weir is still going strong in his position at left end.

Owens and Houghton played a grand game running and blocking.

Outstanding for the line in the game was James Sedberry, guard.

The Pipers showed much improvement over the last two games and may prove a surprise in district standings.

In Friday evening's run-away Hamlin made 14 first downs and Haskell six.

The Pied Pipers had a total of 150 yards run; 40 yards amassed by rushing. Total yards played amounted to 150; with 23 yards gained by passing.

TEXAS COMPANY EMPLOYEES FETED DOVE BARBECUE

M. N. Rose of the Texas Company's Hamlin office was in general charge Saturday evening of a dove barbecue held on the Sales Leases northeast of Abilene for production employees of the Texas Company.

A total of 49 members, employees and families, and 11 out-of-area visitors attended the festive event.

In addition to Rose, those on the program committee were W. B. Cotton and V. W. Mays. Rose was master of barbecuing, and the 24 Texas Company area employees brought in a total "kill" of 220 doves—20 below legal limit—for the "once in a blue moon" treat.

Saturday evening's dove barbecue seemed like old times for production employees of the Texas Company, for guest of the evening was J. F. Morgan of Pioneer, who was accompanied by his wife.

Morgan is retired production foreman of the district, and is said to be one of the finest men to hold that Texaco office in West Texas.

Texaco's Hamlin office, production department, has charge of seven counties in this area.

Special guests for the get-together and fellowship included Travis Burnett of Abilene, Mr. and Mrs. J. R. Lindsey and son of Olney, Mr. and Mrs. J. C. Watson of Fort Worth, Mrs. J. R. Tiffany of Pampa, Mrs. Tom Johnson of Hamlin and J. I. Taylor of Sunset.

McCaulley Methodist Women Study India

Woman's Society of Christian Service of the McCaulley Methodist Church met Monday afternoon in the home of Mrs. J. A. Jackson. The gathering was a business and social affair combined and Mrs. Jackson was assisted by Mrs. LeRoy Prather.

Built around a study of India, the guests presented miniature corsages as they entered.

Honored guest for the afternoon was Mrs. Richardson, who received a bouquet of ink crepe myrtles. Mrs. Richardson was placed in a decorated chair, and in the society's traditional custom received a gift.

Betty Keene gave a reading, after which several games were played.

Refreshments of India tea, peanuts, oranges, pickles, crackers and brick candy were served attendants on a leaf-trimmed plate.

In addition to regular members, Misses Teresa Prather and Betty Keene were the duet of honored guests.

Abilene Nurse Tells Rotarians of Shortage Of Nurses of Future

Shortage of nurses in West Texas and throughout the United States was brought to attention of Hamlin's Rotary Club Wednesday noon in a talk by Stella McCullough of Abilene director of the school of nursing at Hendrick Memorial Hospital.

Addressing the group at regular weekly luncheon Miss McCullough predicted that the shortage will be worse in a few years since so few girls are entering nurse training.

"A hospital is like any business that sells health to the community," the speaker said, "and right now we need more personnel to sell it."

Miss McCullough declared the public should not condemn nurses who marry and retire from their profession. She said they "have they same right as other people to live their own lives."

POT-SHOTS FROM McCAULEY

BY GEO DARDEN

Mrs. M. A. Connell of Lubbock visited her sister Mr. and Mrs. W. B. Mayo last week-end.

Mr. and Mrs. Lon Andress and children are visiting her parents Mr. and Mrs. J. F. Maberry. Lon tells us that he has sold his crop and farming equipment near Post, Texas and he wants to rent a farm in these parts.

Mr. and Mrs. W. E. (Bill) Maberry from Lamesa, Texas visited his mother Mrs. Dan Maberry last week end.

Mr. and Mrs. Turner Beard were visitors over the week-end in the home of Mrs. L. E. Rector and Mrs. W. M. Keller.

Mr. and Mrs. F. L. Rector visited last week-end at Imperial with their daughter, Mrs. Leldon Clifton, and family.

Some 10 or more contractors have asked for plans on the new school building for McCauley and bids should soon be coming in.

Hot topping of the road from Hamlin through McCauley should be underway this week, weather permitting. Motor bikes and scooters will be in demand when the road is finished—if cars remain scarce.

If you have a spare bed room in McCauley—say so. Road hands want a place to sleep.

About the time the gins begin to hum, here came another shower to slow the pickers. However, a hundred years from now we won't know the difference.

Doctors say about the worst disease we have in the country today is self pity. Sho' lot of folks bad off.

Miss Annie Lee Turner is employed as book keeper at the McCauley gin. She is the daughter of Mr. and Mrs. John Turner who live east of Hamlin.

The McCauley high school football team defeated the exes of McCauley

high last Friday by a score of 12 to 0. Coach Wayne Webb's six-man team has a few open dates. Thus far they are undefeated.

Alfred Ray Wishert, son of J. N. Wishert, has arrived home from Japan where he has been with the occupation forces for past two years.

Thanks to Mrs. W. S. (Jack) Griffith for a year's subscription to The Herald for her soldier son, Starrel A. Griffith, who is stationed at San Antonio. Starrel volunteered for the Army about a month ago and is liking it fine and is in the ground forces of the Air Corps.

There is quite a lot of "static" over the world about Wallace getting fired from the president's cabinet. It looks as if we can't war with other countries we hatch up a war at home all of which finally leads to a world war. When folks get low on money and the cost of living keeps going up we fall just naturally get fussy.

Mr. and Mrs. Milt Carter celebrated their fiftieth golden wedding anniversary last Friday. The old timer says they had turnip greens and roasting ears for dinner. Congratulations, Mr. and Mrs. Carter.

Rev. C. E. Dick preached last Sunday at Imperial Baptist Church. He was accompanied by his son, Egbert, and Mr. and Mrs. Lewis Rector.

J. O. Jones and Mr. and Mrs. Louis Jones from Slaton are visiting this week with relatives in this community.

Mr. and Mrs. Frank Moore and sons from Crosbyton visited her parents Rev. and Mrs. C. E. Dick, over the week-end.

The younger set of the community enjoyed a party Monday night in the home of Dixie Maberry.

Bennie Ray Jones, eldest son of Mr. and Mrs. C. D. Jones of this city, is back home with a discharge from the Army and plans to enter McMurry College this week. For the past year he has been stationed near Chicago.

A cold wave hit the old home town last Saturday night and considerably cloudy at this writing. Folks were sitting around home fires on Sunday and with comfort.

An eight-month-old filly colt was stolen from the Frank Maberry ranch south of McCauley over two years

ago. Last week the filly, now nearly three years old, was restored to the owner after much investigation by the sheriff's department and Texas Rangers. The filly, a high-bred bang tail of the racing type, was found near Winters. The last man that purchased the pony in good faith paid \$250 for her. Mr. Maberry is glad to get his filly back home although he had about given up all hopes. The pony has won several races over West Texas. Somebody will likely be billed by the grand jury for horse theft. Back in the so-called good old days horse thieves went to a necktie party—3 S. Setee went to a necktie party—their souls judgment.

A few years back a farmer could kill a fat calf and peddle it out to his neighbors and a lot cheaper than you could buy meat in a market. Some kind of silly law was passed to prevent a man from doing that now. It seems now you have to have a license to kill a beef—and pretty soon it may be that you will have to get permission from the State department to kill a chicken for dinner.

B. V. Reynolds sold his crop, tractor, cows, hogs and farming equipment to Charley Maberry last week. He and Mrs. Reynolds are visiting at Borger and plans for the future as to where they will live are not settled.

Walker Brothers and Sisters Meet First Time In Almost 40 Years

The Walker brothers and sisters, for the first time in almost 40 years, staged a family reunion Sunday at the Hamlin home of Mrs. R. C. Hayes.

Seven of the nine children were on hand for the informal day of reunion, and at noontime an old-fashioned family dinner was served. A number of pictures were taken during the afternoon.

In addition to Mrs. Hayes, host for the occasion, others present were Mrs. S. H. Mitchell of Corona, California, and Mrs. Minnie Elliott of Kingsbury, California, Sam Walker of Waco, Mike Walker of Devine, R. C. Walker of Vernon, John V. Walker of Hamlin. A total of 18 children and grandchildren added to the gaiety of the occasion.

Unable to attend Sunday were Will Walker of Brownwood and Mrs. George Moore of Rogers.

Years often seem so few at a reunion like Sunday's, and the Walker children recalled that the last real family reunion was staged in 1906, when their parents, the late J. W. and Pearl Walker, were hosts for a gathering at which all 12 children were present.

Another First for MASSEY-HARRIS .. the New "VELVET RIDE" Shock Absorber SEAT!

Here at last is the kind of tractor seat you've dreamed about... a seat that does for the tractor what the shock absorber did for the automobile.

This new "Velvet Ride" shock absorber seat — a feature of Massey-Harris Tractors... levels out the rough plowed ground... removes the bounces and bumps... tames the bronco-busting, ride of conventional tractor seats.

It's another first for Massey-Harris Tractors... another reason why it pays to own a Massey-Harris. Come in and let us tell you about the "Velvet Ride" as well as all the other features that are making Massey-Harris first choice with more and more farmers.

FFA BOYS TAKE NUMBER OF PLACES AT ABILENE SHOW WITH PROJECT HEIFERS

Hamlin's FFA boys copped their share of blue ribbons Friday at the Jersey Sheep and Swine Show held at Abilene.

Weldon Townsend, with Palatin Design Lassie, won first in his class and came through the show with the grand champion Jersey of the Junior Show.

Callens George with Dream, took third place in his class. LaWayne Long, with Sammy Wonderful, copped fourth, and James Rodgers, showing the heifer, Peer Blondie, copped fifth.

Wonderful Royal, owned by Kenneth Holloway, and shown by the Hamlin FFA, won sixth.

Grouping four of the Hamlin FFA boys' heifers with a cow owned by Elton Brigham, the Jones County group copped second place as a county herd—shown against three strong county groups of senior breeders.

Four of the Hamlin FFA boys' heifers are entered in the State Fair of Texas at Dallas, Gene Richardson, FFA reporter, states.

Showing as a Jones County 4-H Club member, Elton Brigham will have three Jerseys entered in the Junior Jersey Show at the State Fair. Richardson and Brigham plan to show in individual classes and group their animals for the county herd contest.

W. T. Johnson Flies to U. S. From Japan Post

Only five days' flight time from Yokohama, Japan, to Hamlin is the record marked up by Technical Sergeant W. T. Johnson, son of Mr. and Mrs. Robert Johnson, who is enrolling in Hardin-Simmons University, Abilene.

Sergeant Johnson left Yokohama September 16 and arrived home on September 21.

The Hamlin boy was in the Army one year and nine months, and in being stationed overseas got to see a vast amount of Asia and the islands that constitute Japan.

New Legion Year to Be Begun at Monday Social

Of keen interest to Hamlin area people is the combined business and social that will be staged Monday evening, beginning at 7:30 o'clock, at the Legion hall by Hamlin's American Legion and Legion Auxiliary.

Monday evening's gathering will start the new Legion year, and every member of the organization will be expected to attend, Joe Culberston, post commander, states.

Hamlin American Legion Post is evidencing a solid growth in membership, and with start of the new Legion year a number of activities will come up for consideration and approval.

Junior Class Nominates Joan French for Queen

Hamlin High School's junior class held its second meeting of the year last Friday.

Mr. and Mrs. J. K. French and Mr. and Mrs. Bill Andress were elected as room mothers and fathers. Following this election, Joan French was named candidate for high school queen. Her escort is Alton Kite, and ladies-in-waiting are Nozik Hassen and Sarah Steele.

Members voted on blue and gold as class colors. Class flower named was the yellow rose, and class motto will be "The Door of Opportunity Is Marked 'Push'."

Suzanne Toler was elected editor for the annual staff, and Wanda Mayfield as editor for the paper staff.

Senior Class to Sponsor Box Supper Monday

Senior class of Hamlin High School will sponsor a box supper, to be held Monday evening, beginning at 7:00 o'clock, in the high school auditorium.

Hamlin people are extended a cordial invitation to attend the box supper. Everyone is invited to bring boxes, pies or cakes for the festive occasion.

Surfacing of New Road to Go on Soon

MORE ASPHALT DUE THIS WEEK AFTER FIRST BATCH LOST IN LEAKY VALVE

It appeared highly probable today (Thursday) that some asphalt or "hot topping" work can be done on the vitally important Hamlin-to-McCauley highway by this week-end.

Contractor on the project had a big load of asphalt out southwest of town where the farm-to-market road paving ends and because a valve went out the asphalt drained out during the night hours Wednesday.

Early Thursday morning the asphalt had drained to the northeast in the barrow pit several hundred feet.

A number of Hamlin business and professional men visited the highway project this (Thursday) morning, for everyone is anxious to see the asphalt work started on the all-weather outlet to U. S. Highway 180—or the East-West Highway across Texas.

If it is possible, a Herald reporter was informed, for supplies and materials to get here this week some asphalt work will be done by the week-end.

The farm-to-market highway 57, beginning just southwest of town at the Fisher County line, through McCauley and to U. S. Highway 180, the highway continues southwest to Sylvester and Longworth. The strip from the overpass on 180 to Sylvester has been paved, but The Herald was not informed whether the stretch of Highway 57 from Sylvester to Longworth has yet been paved.

From Longworth this farm-to-market Highway 57 goes almost west until intersection with Highway 70, the Sweetwater to Roby thoroughfare.

When all of farm-to-market Highway 57, going southwest from Hamlin, is paved the distance from Hamlin to Sweetwater, it is state, will be only 37 miles.

The Celotex spur from farm Highway 57 is 1.8 miles in length. From State Highway 70 in Fisher County to Longworth the length is 2.037 miles.

FINGER IN HIS PIE

Notice: When customers come in to pay their bills they shouldn't get meat market operators excited to the extent they put a part of their hand into the sausage grinder.

So friends say after George Howard of Crow Brothers Grocery got his second finger on the left hand nipped off Friday afternoon at the first joint. A customer came in to pay a bill and Mr. Howard, in talking and turning from his work, accidentally let finger No. 2 get into the sausage mill.

Mr. Howard, by the way, has been running a sausage mill 25 years and Friday's experience constituted the first human encounter he'd had with the meat whacking machinery.

Mr. Howard suffered some with his hand Sunday, but was feeling better Monday and able to be in circulation again. His many friends hope his hand will heal in due time and no complications result.

JUNIOR GRIDDERS MEET ROTAN LADS IN THURSDAY TILT

Hamlin's mighty Mice, the school's junior football squad, faces the Rotan Junior Yellowhammers this (Thursday) evening in a game that will be played at Rotan.

The Mice will be marching out on Yellowhammer Stadium this evening in brand new uniforms. Last week the junior squad held the Merkel juniors to a 6-6 tie in a tussle at Merkel.

Coaches "Red" Howard and Marvin Carlton report Buddy Maberry will replace Donald Green as back. Donald sustained a fractured arm in the Hamlin-Merkel clash. Donald is said to be improving nicely.

Starting line-up for the Mice in this evening's grid classic will be as follows: Donald Roland, end; Bobby Potter, end; Troyce Hargrove, guard; W. T. Stapler, guard; Clarence Miller, tackle; Asa Ray Goodgame, tackle; Jerry Carr, center; Buddy Maberry, Harold Johnson, Nelson Lowe and Joe Allen Dean, backs.

MAYS FLY TO CAPITAL AFTER HAMLIN VISIT

Washington bound in this picture are Mr. and Mrs. Parker May and three-month-old daughter, Judith, who left Abilene last Wednesday by plane for Washington, D. C., after a three-week visit with May's family here in Hamlin. Reared here, May is with the Office of International Information and Cultural Affairs in the State Department at Washington and has been working in the nation's capital 13 years. While here the Mays visited his parents, Mr. and Mrs. M. P. May, his brothers, Tate and John May, and Mrs. J. Frank Johnson of Rotan.—Picture courtesy Don Hucheson, Abilene Reporter-News.

MILTON GARY GETS PEN TERM FOR PART IN CABIN LOOTING

Milton H. Gary of Kermit, formerly of Hamlin, and Denver Ray Randolph of Abilene were assessed penitentiary terms at Anson last Wednesday, after entering a plea of guilt in Judge Owen Thomas' 104th District Court.

Randolph, 18, pleaded not guilty on September 9 to burglary of Martin Koonsman's cabin on Fort Phantom Hill Lake but was found guilty by a jury and given a five-year suspended sentence.

Last Wednesday Randolph entered a motion to set aside that judgment. Motion presented by his attorneys, David Scarborough and J. R. Black Jr., was granted and Randolph entered a plea of guilt to burglaries of the Koonsman cabin and cabins belonging to Dr. Marvin Majors and Lloyd Havens of Abilene.

The youth was given a two-year sentence on each of three counts, sentences to run concurrently, Esco Walter, district attorney, reports.

Gary was assessed a five-year term in each of 12 cases of forgery in which merchants of Anson and Stamford claimed they were victimized of approximately \$300 during June and July, Walter said. The terms will run concurrently.

Gary also faced six forgery charges in Fisher County, cases due to be held in the October term of court at Roby, the district attorney announced.

BOX SUPPER NETS \$779 AT SYLVESTER FOR VA BUILDING

Box supper held in Sylvester High School auditorium for purpose of raising money to erect a vocational building resulted in raising of \$779.25 from box sales and an additional \$200 on advertising.

Albert A. Maberry, agriculture instructor, reports the event was an outstanding success. The affair was sponsored by the veterans' vocational agriculture school. Approximately one-third of the amount needed for the proposed building was raised.

Auctioneer for the evening was Representative Harley Sadler of Sweetwater.

Omar Burleson of Anson, congressman-nominate, was unable to speak as scheduled, and Tate May, Hamlin banker, replaced him.

Among other visitors contributing to success of the box supper were R. B. Tanner, Roby banker; Levi McCollum, McCauley business man; and a group of others, from McCauley. Music was furnished by Happy Daniels and his Happy-Go-Lucky Boys of Sweetwater.

A number of building sites have been offered for the proposed project but none has to date been selected, Maberry states.

Plans call for a class room and shop building 20x70 feet of corrugated iron and lumber with concrete floors and foundation.

FFA Boys Working to Elect Queens for Class

Hamlin's four classes of Future Farmers of America met last week and nominated candidates for sweetheart of the Hamlin FFA.

Patsy Parker was nominated by the freshmen boys, Joan Johnson by the sophomores, Joan French by the juniors, and Phyllis Richardson was the choice of the senior boys.

At a penny a vote, the classes are carrying on a contest this week to raise money to help improve their new building.

General public is invited to take part in the FFA voting, and help elect the girl of their choice as FFA sweetheart.—Gene Richardson, FFA Reporter.

TRY FOR PALO PINTO PAY IN TERRELL BLOCK DRILLS ON BELOW SURFACE CASING

Only 10 miles west of Hamlin, almost midway between this Jones County town and Rotan, drilling was progressing Wednesday below surface casing on the Ellis A. Hall No. 1 J. B. Terrell, Ellenburger test in Section 80.

The deep project is located 660 feet from the north and west lines of Section 80, H. & T. C. Survey.

Verdict is due momentarily on the initial offset extension try to the Eskota pool Palo Pinto reef production, The Herald is informed.

Operators at this test in Southwest Fisher County cored toward the top of the formation in the Skelly Oil Company No. 3-A D. O. Huddleston, 2,815 feet from the north and 1,675 feet from the west line of Section 11, Block 19, T. & P. Survey.

Coring was started at 4,300 feet, and first core showed 14 feet of sand and shale with a slight show of oil in the sand. Second core was started at 4,317 feet. On discovery well casing was cemented at 4,315 feet with total depth 4,405 feet.

Spudding in the second offset, Skelly's No. 2 D. O. Huddleston, 3,209 feet from the north and 2,665 feet from the west line of Section 19, was awaiting plaining of new draw works for the rig.

Three miles north of the Skelly locations, the Horne Oil Company No. 1 J. W. Wheeler Jr., 330 feet from the north and east lines of George Creath Survey 221, is drilling ahead below surface casing.

Initial tests are being made this week on Jones County's prospective new pool opener southwest of Nugent, the Roark, Hooker & Roark No. 1 F. C. Hodges, 467 feet from the north and 1,650 feet from the west line of A. Bell Survey 6.

Casing had been set at 1,939 feet above a very favorable show in Gun-sight line drilled from 1,938 to total depth of 1,942 feet.

New Jones County wildcat, half a mile northeast of Hodges, will be Roark, Hooker & Roark No. 1 F. T. Moore, a 2,700-foot cable tool project 2,108 feet from the west and 1,650 feet from the south line of Section 3, Block 17, T. & P. Survey.

Plaster Work on New School Building Will Start This Week-End

Plaster work will doubtless be started by next week on Hamlin's new \$125,000 elementary school building The Herald learned today (Thursday).

Progress on the new edifice is mighty good, considering the continuing building material shortage, the builders, T. E. Shelburne & Son, stated.

Framing was up this week on all the new structure, and workmen are putting on the lower part of the roof.

Steel window frames, however, are still lacking and since they have not been shipped, construction work will be held down to an extent.

I. R. Huchingson, Hamlin School superintendent, reports construction work highly satisfactory—except for material shortages such as window frames.

Don W. Smith of Sweetwater is architect for the new building.

Mart Farrow Tries for Spot on Tarleton Squad

Mart Farrow, son of Mrs. Mary Farrow of Hamlin, is one of 90 men competing for a spot with the Plover-boys of John Tarleton Agricultural College at Stephenville.

Mart is six feet and one inch in height, and weighs in at 175 pounds. He plays back and lettered two years with Hamlin's Pied Pipers.

Next John Tarleton game will be played October 5 at Wichita Falls against Hardin Junior College.

Baptist Fidelis Class Meets in Miles Home

Fidelis Matrons Class of the First Baptist Church met Tuesday afternoon in the home of Mrs. Jack Miles. Co-hostess was Mrs. Tom Routh.

In the social and business meeting officers for the new year were elected and installed.

Refreshments of cherry pie, whipped cream and coffee were served. The following members were present: Mmes. R. M. Myers, Roy Flowers, E. E. Carroll, J. M. Blanton, Ritchey, Frank Martin, C. B. McGough, Tom Routh and Jack Miles.

Betty Jo Fare and Ima Jeanne Meads of Stamford were visiting friends in Hamlin Wednesday afternoon. They were also making a few business calls.

Hamlin Homemakers Entertain Area Group

Homemaking department of Hamlin High School was the site, Saturday, for the Area II Executive council meeting, Future Homemakers of America, Texas Association.

Edith Ann Stock, area president, and LaNell Coltharp, local vice president, served coffee and doughnuts to the guests as they arrived. Mrs. Camille Simmons is area sponsor.

The council, made up of Area II officers, takes care of the area business, puts out all news letters and plans general meetings of the organization.

Plans were formulated Saturday for an executive meeting November 2 in Anson, at which time each school will be represented by five members.

Those who attended Saturday's meeting were:

Anson: Mrs. Edna Beck, sponsor, Doris Ann Pittman, corresponding secretary.

Haskell: Ann Katherine Rike, recording secretary, Margaret Derry, Haskell president.

Rotan: Mrs. Laerne Kennedy, sponsor, Jane Gray, local member who filled in for the area reporter who was ill.

High School Classes Voting in Queen Races

Candidates of the four classes of Hamlin School for carnival queen have been chosen and voting, through Wednesday, was rather brisk for nominees.

Candidates of each class, with escorts and ladies-in-waiting are:

Senior Class—Verlene Stewart, nominee; Seith Neill, escort; Shirley Baggett and Bettye Sellers, ladies-in-waiting.

Junior Class—Joan French, nominee; Alton Kite, escort; Nozik Hassen and Sarah Steele, ladies-in-waiting.

Sophomore class—Betty Jo McNelly nominee; Bernie Houghton, escort; Frances Martin and Jo Ann Johnson, ladies-in-waiting.

Freshman class—Patsy Parker, nominee; Durwood Smith, escort; Lavon Stewart and Donna Gayle Miller, ladies-in-waiting.

Sponsored by the junior class, the annual school carnival at Hallowe'en will witness selection of a school queen and resultant coronation ceremonies as a carnival climax.

Mr. and Mrs. Bill Harbert of Abilene spent the week-end in Hamlin visiting their parents, Mrs. Lola Harbert and Dr. and Mrs. Joe McCrary.

Naomi Young student of Hardin-Simmons University, Abilene, visited with her parents, Mr. and Mrs. Jess Young over the week-end.

Edwina Gilbert Honored At Dallas Gatherings

Edwina Gilbert, bride-to-be of Charles E. Holden, was honored, Hamlin friends learn, at a luncheon in the Century Room of the Adolphus Hotel at Dallas September 28. Edwina taught public school music here for a number of years.

Hosts were Mattie Dell Webb of Dallas, Hortense Watkins of Hamlin, Eugenia Haskin of Ballinger and Elva Ruth Wylie of Cedar Hill.

A miniature altar with candles and lilies and a miniature bride and bridegroom standing in an arch decorated the table. Mrs. Earl Cabell, sister of Mr. Holden, presented the honoree with a tray.

Present were Miss Gilbert, Mrs. W. H. Gilbert, Mrs. Cabell, Mrs. Frank Wylie, Mrs. Gordon Bennett, Mrs. Arlene Morgan, Mary Alice Benning, Gene Rowden, Ann Cochran, Tootsie Wylie and Maybell Tinkles.

The former Hamlin music teacher was honored at a breakfast given by Mr. and Mrs. Frank Wylie of Cedar Hill at their home.

Those for the breakfast, in addition to the honoree, were Mrs. W. H. Gilbert, Mrs. Arlene Morgan, Mrs. Gordon Bennett, all of Hamlin; Maybell Tinkles of Fort Worth, Eugenia Haskin of Ballinger and Elva Ruth Wylie.

Gift Tea Given for Mrs. Meads Thursday

Gift tea for Mrs. Dan Meads, the former Thelma M. Carlton, was held last Thursday afternoon, 2:00 until 4:00 o'clock, at the home in North Hamlin of Mrs. J. W. Perryman Jr.

Mrs. Perryman and Mrs. John Edwards were co-hostesses.

Mrs. L. B. Maberry greeted guests at the door. In the receiving line were the honoree, Mrs. D. W. Carlton, Mrs. E. E. Meads and Mrs. John Edwards.

Mrs. R. L. Maynard presided at the bride's book and Imogene Meads was in charge of the gift display.

Mrs. Bill Maddox invited guests into the dining room, where Mrs. A. J. Ashburn presided at the punch bowl, assisted by Mrs. Glenn Winslett.

Mrs. L. B. Maberry said good-byes.

Elementary P-TA Sets First Meeting of Year

Hamlin Elementary Parent-Teacher Association will meet Tuesday evening, October 8, at 7:30 in the high school auditorium, The Herald learned this week. This is their first meeting of the year and will be primarily a "get acquainted" and social hour.

Mrs. Henry Albritton, president, will preside and the main speaker of the evening will be I. R. Huchingson, superintendent of Hamlin's schools. Another speech will be made by Mrs. G. R. Bennett on plans for the membership drive for the ensuing year.

This year's program is based on the theme of "Laying Firm Foundations" which should prove interesting and constructive to members of the local association.

SCHOOL DAYS ARE HERE ONCE MORE... Gradually the days will grow shorter and nights longer. More and more of the family's work and play will be done under artificial light.

Start now, at childhood, to insure your children's good vision in future years.

It is a known fact that 3 out of every 4 people have defective vision by the time they reach 50. In most cases, it is traceable to poor lighting or the improper use of eyes in childhood. Therefore, use adequate and glareless light in your home—it will not only safeguard young eyes, but help older eyes as well.

Our lighting engineers will gladly assist you in obtaining the proper seeing conditions. This free service is yours for the asking.

Stamford and Hamlin Pastors Change Pulpits

In an exchange of pulpit appearances, Rev. J. O. Quattlebaum, pastor of St. Paul's Methodist Church at Stamford, will preach Sunday evening at Hamlin Methodist Church.

Rev. E. L. Yeats, local Methodist pastor, will, in turn, preach Sunday evening at St. Paul's Methodist Church in Stamford.

Mr. and Mrs. Jack Owens are entertaining a baby girl, Nancy Ann, weight eight pounds, who was born in the Stamford hospital Sunday.

Nancy Ann's grandparents are Mr. and Mrs. John Owens of Hamlin and Ross Dillard of Meadow.

Swenson Conservation Group Names Chairman

Newly formed West Swenson Conservation Group held an interesting meeting Friday morning at Ericksdahl Gin east of Stamford, a spokesman informs The Herald, at which time Jim F. McCulloch was named chairman of the supervisors for the district.

Members of the Stamford SCS discussed work of the district with the group. A. C. Braum was elected conservation group leader—subject to approval by the board of supervisors.

Jack Harden of McMurry College, Abilene, visited his family, Mr. and Mrs. Jack A. Harden Sr., and Judy, Saturday and Sunday.

MRS. H. B. PROCK, FORMER RESIDENT, DIES AT BIG SPRING

Mrs. H. B. Prock, 47, well known here as the former Lula Fannin, daughter of Mr. and Mrs. L. F. Fannin, died Saturday morning, 3:42 o'clock, at her home in Abilene.

Mrs. Prock was born November 22, 1898, at Big Spring.

Funeral services for Mrs. Prock were held Tuesday afternoon, 3:00 o'clock, at Hamlin First Baptist Church.

Rev. John Osteen, pastor, officiated.

Mrs. Prock is survived by her husband, H. B. Prock; two daughters, Mrs. Pauline Eddy of Maderia, California, and Iona G. Towne of Flaxton, North Dakota; four sisters and two brothers.

Elliott Funeral Home of Abilene directed arrangements, and Mrs. Prock was laid to rest in East Cemetery.

Yeats and Wife Go to Homecoming at Nugent

Rev. E. L. Yeats of Hamlin and his wife attended a homecoming Sunday at Nugent, where Rev. Yeats was pastor during World War I.

During his absence the pulpit of the local Methodist Church was occupied Sunday morning by Rev. George Stinman of the Bible Department of McMurry College, Abilene.

Stronger Body Helps This New Tire OUTWEAR PREWAR TIRES

No sensible driver would deliberately run his tires over a rock like the one in the picture. But sometimes it can't be helped...and that's when you will be glad if you have B.F. Goodrich passenger car tires. Built with more and stronger cords, the tire body is better engineered and 35% stronger than in wartime tires. But in building this stronger body to hold the more durable, wider, flatter tread, B.F. Goodrich engineers built into it greater resistance to "road shock."

Supplies of this new tire are still limited. However, we'll do our best to keep your car rolling until we can get new tires for you.

GOOD COTTON MARKET HELPS PRODUCER

Price for cotton on the open market is high enough this fall that observers predict only a small portion of the crop will go in the government loan. Although the loan rate for Jones County is 24.21 cents per pound, basis middle fifteen-sixteenths inch staple, open market prices are at such a fine level farmers find it profitable to sell their cotton on a "barrel head" cash basis.

Even though this year's cotton crop is far below that of past years, the farmer realizes a certain amount of independence from being able to sell his cash crop as he chooses. Remember those years when farmers had to depend on a government loan to keep the bottom from falling out of cotton? When cotton equities almost went begging for takers? Now the trend is fortunately reversed and the buyer who gets a "whack" of this year's cotton crop will know he is paid real folding money for the fleecy staple.

NO SOAP, NO BATH, NO SUN

Facts may seem slightly harsh at times, but unless every household goes to saving used fats, again, and turning such fats and oils in to local merchants, we could easily wake up one morning, soon, and have no soap for washing dishes or clothes, no soap for taking a bath, and in fact no sunshine in the home for lack of this one, simple thing—soap.

The government is serious in a statement that every housewife will have to get back to saving and selling all used kitchen fats and oils if we avoid a nation-wide soap scarcity.

During the emergency we have on hand, the only extra source of fats and grease is the American kitchen. Used fats turned in not only being four cents a pound, but such contribution comes right back to the kitchen in the form of finished soap. Let's keep the soap shortage from getting worse and remember, when draining used grease from the skillet, that only by your cooperation will you be guaranteed your soap, your bath and sunshine in the home during the crucial weeks we all face ahead.

PLENTY OF VA BUSINESS

Take it from the Veterans Administration regional office at Lubbock, ex-service men of Hamlin and West Texas are keeping the regional office flooded with correspondence and cases which need immediate attention.

Our GI's, fortunately, are taking full advantage of the GI Bill of Rights, and intend to go on to school, take vocational training and refresher courses that will give them bed-rock foundation for making a good living. A number of vets are all-out for on-the-job training, and now that we have the war won our boys are anxious to get back into civilian production and civilian living.

We have a big job ahead of us in winning the peace, but it can be safely said the biggest job in securing such peace will be adequate and satisfactory rehabilitation of our veterans. We cannot break the faith with the boys who got back to loved ones and friends, and the least this great nation of ours can do is make the vets secure in the kind of employment they want and can be best satisfied at throughout their life span.

WOMEN IN THE PARADE

With home demonstration and study clubs of this vicinity electing officers for the ensuing year, and with ladies' clubs facing the months ahead with vitalized programs that help put their communities ahead, women in the parade of nations, when all our history is written, will include women who by club, P-TA and other activities, make their home communities better places in which to live.

While the major part of a woman's life is woven around that magic world called the home, no woman's life is complete and satisfying without social contacts and community work to broaden and enrich the woman's outlook on the world in general.

Idea of tying women on a rub board, dough board and a sewing machine was really never sensible—although slightly excusable at one time in American history. We have supposedly emerged from the dark ages of human bondage, and in so doing are forced to recognize that women in the parade are motivating force behind this exciting generation.

WHAT CONTEMPORARIES ARE SAYING

NOT ABOVE THE LAW

George White, 53, producer of the famous girl shows, "George White's Scandals," is now serving a one-year sentence for a "hit and run" accident that resulted in the death of a newlywed couple near San Diego, California.

We call attention to the case because Mr. White, beginning his incarceration, protests, "I'm not a criminal and I don't deserve this." His attitude seems to be shared by some notables in the amusement world who wrote letters in an effort to prevent Mr. White from receiving a jail sentence.

While we are not familiar with the facts in the case, we have no idea that the producer would have been convicted if he had not been guilty of the crime charged against him. Whether he was the accidental victim of circumstances, or not, the fact remains that the case had some suspicious circumstances, particularly the failure of the guilty driver to report the accident when it occurred.

Mr. White, who may be considered famous in his line, is not above the laws of the country where he lives. Whether he considers himself a "criminal" or not, he has been charged with a crime, convicted of it and sentenced to serve time. If the laws of the nation mean anything, they should mean that no man, regardless of his fame or his wealth, is above the law and if they violate the law, they should be punished like everybody else.—The Baird Star.

Happy is he the palace of whose affection is founded upon virtue, walled with riches, glazed with beauty and roofed with honor.—Francis Quarles.

What we do upon some great occasion will probably depend on what we are; and what we are will be the result of previous years of self discipline.—H. P. Liddon.

Let not him who is houseless pull down the house of another, but

50 FFA BOYS WILL GO TO STATE FAIR SATURDAY IN BUS

Directed by their adviser, T. J. May, a school bus driver, 50 Hamlin Future Farmers of America chapter members will leave before sun-up Saturday for Dallas and the State Fair of Texas.

A spokesman for the FFA group informs a Herald reporter that the local group should arrive in Dallas by 10:30 o'clock Saturday morning.

Four of the Hamlin FFA boys' heifers are entered in the State Fair. Elton Brigham, showing as a Jones County 4-H Club member, has three Jerseys entered in the Junior Jersey Show.

The Hamlin group will have a full day ahead of them Saturday, for Saturday will be Farm Youth Day at the State Fair.

One organization, the Dallas Chamber of Commerce, has set aside \$10,000 to sponsor this day of free luncheon, entertainment and education for the rural youth of Texas.

Radio Stations WFAA, KRLD and WRR will provide feature entertainment between 12:00 and 1:00 p. m. Honor awards will be made to 32 outstanding 4-H Club girls, FFA and 4-H Club boys.

Judging of fat steers and hogs, educational exhibits in poultry building, meat identification contest and many other projects are slated

ACCEPTABLE WORSHIP

When any object, except God, is worshipped, it is idolatry, and is strictly forbidden (Matthew 4:10). Thou shalt worship the Lord, thy God, and Him only shalt thou serve. In Revelation 22:8-9 John fell down at the feet of the angel and was told not to do it. Cornelius fell at Peter's feet but Peter would not permit him to worship (Acts 10: 25-26.) Paul and Barnabas did everything they could to keep from being worshipped. If these great men of the Bible could not be worshipped, I am sure that God is not pleased with the worship of a man today. God cannot be truly worshipped by graven images. (Acts 17: 24-29.) The guilty are commanded to repent. (Acts 17:29-30.)—J. C. Scott, Minister, Church of Christ.

New Power-Lift Put on John Deere Tractors

Every farmer seeking better farm machinery will be interested in announcement by Bryant-Link Company, local John Deere farm equipment dealer, of an outstanding development in recent years, the new John Deere hydraulic Powr-Trol.

At a touch of a convenient control lever, Powr-Trol raises and lowers plow bottoms or discs, grain drill openers, mower cutter bars, etc. This vitally new development will have to be seen in operation to be fully appreciated, the dealer said.

DR. COLLINS WILL GO TO ORDNANCE HOSPITAL AT DUMAS

Officiating when new lives started out in the world and administering to thousands of people—even when the tide of life ebbed away—is all in an ordinary life span for Dr. A. G. Collins of Hamlin, who with his wife leaves the first of next week for Dumas.

Dr. Collins, former practicing physician and surgeon at Royce City and New Boston, will assume charge of a 20-bed hospital at the Texas Ordnance Plant near Dumas. Dr. Collins was among eight doctors who took examination for the post. His grade was the highest.

Equally at ease in both clinical and surgical work, Dr. Collins has been practicing medicine 36 years.

Dr. Collins graduated from high school at the age of 13, and when only 20 years old graduated from medical college.

"Doc" is a graduate of Baylor University, Barnes University, Tulane and Chicago Polytechnic. He practiced medicine at Royce City a fifth of a century and also has practiced at New Boston.

Dr. Collins came to Hamlin May 15 from New Boston.

Dr. and Mrs. Collins have three children—a boy, James of Hamlin; two daughters, Mrs. Fern Pullens of Baxter Springs, Kansas, Mrs. Devota Keller of Hutchinson, Kansas, and six grandchildren—three boys and three girls.

Patsy Parker Selected As Freshmen's Queen

Freshman class of Hamlin High School met Tuesday for transaction of important business, including election of Patsy Parker as class queen.

Freshman class officers, named in a previous meeting, are: Raymond Seifres, president; W. S. Wilcox, vice president; Donna Gayle Miller, secretary; Lavon Stewart and Patsy Parker, reporters; Barbara Turner and Roy Riley, social leaders.

Sponsors for the freshman class during the 1946-47 school year are Mrs. Opal Hodges and T. C. Blankinship.

After election of Patsy Parker as class queen, Durwood Smith was elected to escort her. Lavon Stewart and Donna Gayle Miller were elected as ladies-in-waiting.

Members of the class want Mrs. Seifres, Mrs. Wilcox and Mrs. Parker for room mothers.

Didn't Get the Information.

A man returning home in the early hours read the notice on the apartment house door: "Please ring the bell for caretaker."

He gave the bell a terrific pull, nearly dragging it from its socket. Shortly a sleepy face appeared.

"Are you the caretaker?" asked the man.

"Yes," was the reply. "What do you want?"

"I just want to know why you can't ring the bell yourself."

New Service Schedule Announced by Baptists

Rev. John Osteen, pastor of Hamlin's First Baptist Church, announces the following schedule for service will be effective as of this week-end:

Sunday School each Sunday morning at 10:00 o'clock; morning worship at 11:00 o'clock; BTU (all ages) each Sunday evening at 6:30 o'clock; and Sunday evening worship at 7:30 o'clock.

Mid-week prayer services will begin each Wednesday evening at 7:30 o'clock.

People of this trade zone are cordially invited to worship at the First Baptist Church and each member is asked to invite a friend.

PIED PIPERS TAKE FIRST CONFERENCE TILT FROM HASKELL

In the type of football game played at Piper Stadium Friday evening that brings fans to their feet yelling, the Pied Pipers overran the Haskell Indians, 32 to 0.

Outstanding for Hamlin was Brad Rowland, who tossed two touchdown passes. He made one placement kick for point after touchdown.

Doyle Dean made the first score by intercepting an Indian pass and going 35 yards to pay dirt. Dean also stood out as an excellent pass receiver and blocking back. The Rowland-to-Dean combination will be hard to beat when the all-district men are picked.

Billy Franks is another boy who is beginning to stand out in the fans' minds. He received one pass for extra point.

Weir is still going strong in his position at left end.

Owens and Houghton played a grand game running and blocking.

Outstanding for the line in the game was James Sedberry, guard.

The Pipers showed much improvement over the last two games and may prove a surprise in district standings.

In Friday evening's run-away Hamlin made 14 first downs and Haskell six.

The Pied Pipers had a total of 150 yards run; 40 yards amassed by rushing. Total yards played amounted to 150; with 23 yards gained by passing.

TEXAS COMPANY
EMPLOYEES FETED
DOVE BARBECUE

M. N. Rose of the Texas Company's Hamlin office was in general charge Saturday evening of a dove barbecue held on the Sales Leases northeast of Abilene for production employees of the Texas Company.

A total of 49 members, employees and families, and 11 out-of-area visitors attended the festive event.

In addition to Rose, those on the program committee were W. B. Cotton and V. W. Mays. Rose was master of barbecuing, and the 24 Texas Company area employees brought in a total "kill" of 220 doves—20 below legal limit—for the "once in a blue moon" treat.

Saturday evening's dove barbecue seemed like old times for production employees of the Texas Company, for guest of the evening was J. F. Morgan of Pioneer, who was accompanied by his wife.

Morgan is retired production foreman of the district, and is said to be one of the finest men to hold that Texaco office in West Texas.

Texaco's Hamlin office, production department, has charge of seven counties in this area.

Special guests for the get-together and fellowship included Travis Burnett of Abilene, Mr. and Mrs. J. R. Lindsey and son of Olney, Mr. and Mrs. J. C. Watson of Fort Worth, Mrs. J. R. Tiffany of Pampa, Mrs. Tom Johnson of Hamlin and J. I. Taylor of Sunset.

McCaulley Methodist
Women Study India

Woman's Society of Christian Service of the McCaulley Methodist Church met Monday afternoon, in the home of Mrs. J. A. Jackson. The gathering was a business and social affair combined and Mrs. Jackson was assisted by Mrs. LeRoy Prather.

Built around a study of India, the guests presented miniature corsages as they entered.

Honored guest for the afternoon was Mrs. Richardson, who received a bouquet of ink crepe myrtles. Mrs. Richardson was placed in a decorated chair, and in the society's traditional custom received a gift.

Betty Keene gave a reading, after which several games were played.

Refreshments of India tea, peanuts, oranges, pickles, crackers and brick candy were served attentively on a leaf-trimmed plate.

In addition to regular members, Misses Teresa Prather and Betty Keene were the duet of honored guests.

Abilene Nurse Tells
Rotarians of Shortage
Of Nurses of Future

Shortage of nurses in West Texas and throughout the United States was brought to attention of Hamlin's Rotary Club Wednesday noon in a talk by Stella McCullough of Abilene director of the school of nursing at Hendrick Memorial Hospital.

Addressing the group at regular weekly luncheon Miss McCullough predicted that the shortage will be worse in a few years since so few girls are entering nurse training.

"A hospital is like any business that sells health to the community," the speaker said, "and right now we need more personnel to sell it."

Miss McCullough declared the public should not condemn nurses who marry and retire from their profession. She said they "have their same right as other people to live their own lives."

POT-SHOTS FROM MCCAULEY

BY GEO DARDEN

Mrs. M. A. Connell of Lubbock visited her sister Mr. and Mrs. W. B. Mayo last week-end.

Mr. and Mrs. Lon Andress and children are visiting her parents Mr. and Mrs. J. F. Maberry. Lon tells us that he has sold his crop and farming equipment near Post, Texas and he wants to rent a farm in these parts.

Mr. and Mrs. W. E. (Bill) Maberry from Lamesa, Texas visited his mother Mrs. Dan Maberry last week-end.

Mr. and Mrs. Turner Beard were visitors over the week-end in the home of Mrs. L. E. Rector and Mrs. W. M. Keller.

Mr. and Mrs. F. L. Rector visited last week-end at Imperial with their daughter, Mrs. Leldon Clifton, and family.

Some 10 or more contractors have asked for plans on the new school building for McCauley and bids should soon be coming in.

Hot topping of the road from Hamlin through McCauley should be underway this week, weather permitting. Motor bikes and scooters will be in demand when the road is finished—if cars remain scarce.

If you have a spare bed room in McCauley—say so. Road hands want a place to sleep.

About the time the gins begin to hum, here came another shower to slow the pickers. However, a hundred years from now we won't know the difference.

Doctors say about the worst disease we have in the country today is self pity. Sho' lot of folks bad off.

Miss Annie Lee Turner is employed as book keeper at the McCauley gin. She is the daughter of Mr. and Mrs. John Turner who live east of Hamlin.

The McCauley high school football team defeated the exes of McCauley

high last Friday by a score of 12 to 0. Coach Wayne Webb's six-man team has a few open dates. Thus far they are undefeated.

Watch the date on your Herald. Your subscription may run out and you will miss the home news. Hand us your renewals or mail same and we will see that you get your paper.

Alfred Ray Wishert, son of J. N. Wishert, has arrived home from Japan where he has been with the occupation forces for past two years.

Thanks to Mrs. W. S. (Jack) Griffith for a year's subscription to The Herald for her soldier son, Starrel A. Griffith, who is stationed at San Antonio. Starrel volunteered for the Army about a month ago and is liking it fine and is in the ground forces of the Air Corps.

There is quite a lot of "static" over the world about Wallace getting fired from the president's cabinet. It looks as if we can't war with other countries we hatch up a war at home all of which finally leads to a world war. When folks get low on money and the cost of living keeps going up we all just naturally get fussy.

Mr. and Mrs. Milt Carter celebrated their fiftieth golden wedding anniversary last Friday. The old timer says they had turnip greens and roasting ears for dinner. Congratulations, Mr. and Mrs. Carter.

Rev. C. E. Dick preached last Sunday at Imperial Baptist Church. He was accompanied by his son, Egbert, and Mr. and Mrs. Lewis Rector.

J. O. Jones and Mr. and Mrs. Louis Jones from Slaton are visiting this week with relatives in this community.

Mr. and Mrs. Frank Moore and sons from Crosbyton visited her parents Rev. and Mrs. C. E. Dick, over the week-end.

The younger set of the community enjoyed a party Monday night in the home of Dixie Maberry.

Bennie Ray Jones, eldest son of Mr. and Mrs. C. D. Jones of this city, is back home with a discharge from the Army and plans to enter McMurry College this week. For the past year he has been stationed near Chicago.

A cold wave hit the old home town last Saturday night and considerably cloudy at this writing. Folks were sitting around home fires on Sunday and with comfort.

An eight-month-old filly colt was stolen from the Frank Maberry ranch south of McCauley over two years

ago. Last week the filly, now nearly three years old, was restored to the owner after much investigation by the sheriff's department and Texas Rangers. The filly, a high-bred bang tail of the racing type, was found near Winters. The last man that purchased the pony in good faith paid \$250 for her. Mr. Maberry is glad to get his filly back home although he had about given up all hopes. The pony has won several races over West Texas. Somebody will likely be billed by the grand jury for horse theft. Back in the so-called good old days horse thieves went to a necktie party—3.8. Setee went to a necktie party—their souls judgment.

A few years back a farmer could kill a fat calf and peddle it out to his neighbors and a lot cheaper than you could buy meat in a market. Some kind of silly law was passed to prevent a man from doing that now. It seems now you have to have a license to kill a beef—and pretty soon it may be that you will have to get permission from the State department to kill a chicken for dinner.

B. V. Reynolds sold his crops, tractor, cows, hogs and farming equipment to Charley Maberry last week. He and Mrs. Reynolds are visiting at Borger and plans for the future as to where they will live are not settled.

Walker Brothers and Sisters Meet First Time In Almost 40 Years

The Walker brothers and sisters, for the first time in almost 40 years, staged a family reunion Sunday at the Hamlin home of Mrs. R. C. Hayes.

Seven of the nine children were on hand for the informal day of reunion, and at noontime an old-fashioned family dinner was served. A number of pictures were taken during the afternoon.

In addition to Mrs. Hayes, host for the occasion, others present were Mrs. S. H. Mitchell of Corona, California, and Mrs. Minnie Elliott of Kingsbury, California, Sam Walker of Waco, Mike Walker of Devine, R. C. Walker of Vernon, John V. Walker of Hamlin. A total of 18 children and grandchildren added to the gaiety of the occasion.

Unable to attend Sunday were Will Walker of Brownwood and Mrs. George Moore of Rogers.

Years often seem so few at a reunion like Sunday's, and the Walker children recalled that the last real family reunion was staged in 1906, when their parents, the late J. W. and Pearl Walker, were hosts for a gathering at which all 12 children were present.

Exclusive Rights at a Price.

Another First for MASSEY-HARRIS

.. the New "VELVET RIDE" Shock Absorber SEAT!

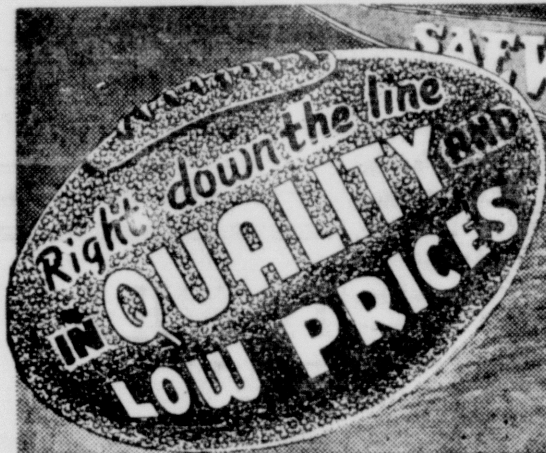

Here at last is the kind of tractor seat you've dreamed about... a seat that does for the tractor what the shock absorber did for the automobile.

This new "Velvet Ride" shock absorber seat — a feature of Massey-Harris Tractors... levels out the rough plowed ground... removes the bounces and bumps... tames the bronco-busting ride of conventional tractor seats.

It's another first for Massey-Harris Tractors... another reason why it pays to own a Massey-Harris. Come in and let us tell you about the "Velvet Ride" as well as all the other features that are making Massey-Harris first choice with more and more farmers.
